

Kanaflex®

SERIES 180 HR HIGH-TEMPERATURE ABRASION-RESISTANT SUCTION HOSE

THE BEST HOSE TO DO THE JOB RIGHT.

Serving these industries:

- Roofing • Commercial Cleaning • Grain Handling • Shipyard • Sand Recovery • Fly Ash Removal
- Powerrodding & Sewage Cleaning • Plant Waste Management • Coal Dust • Dockside Unloading

Lightweight . . . up to 50% lighter than conventional rubber hose, so it's easier to handle and less expensive to transport.

Outstanding abrasion resistance . . . longer lasting than conventional rubber hose inside and out.

Economical . . . initial cost is low, and Kanaflex is almost maintenance-free, to save you money in the long run.

Flexible . . . lends itself to working in tight spaces. Easy handling even in large I.D.'s.

Weatherproof . . . Kanaflex is highly resistant to temperature changes and deterioration by sun, ozone or mildew.

Smooth bore . . . combined with smooth bending characteristics, makes for the fastest, most efficient transfer of materials.

Static dissipating . . . needs no groundwire, no electrical shocks (arcing)—no clogging in most applications. (Please consult factory for specific applications.)
