

SOLID WOVEN PVC CONVEYOR & ELEVATOR BELTING

PVC - 90 Black

A thin, strong, yet flexible, general purpose utility belt highly suitable for lightweight conveying of small products. Oil, chemical, and stretch resistant.

89 PVC - 90 Black C x FS

PVC - 120 and 150 Black

Has proven to be the longest wearing, best performing, most problem free package handling belt available today. Economical, general purpose specifications ideal for a variety of slider bed, roller bed, and live roller applications. Offer low stretch, high fastener holding ability and superior rip, tear, and gouge resistance.
