

## Flomax R Series Connectors

The Flomax R-series connectors are fully compatible and interchangeable with industry standard. They have all-metal construction using anodized aircraft grade aluminum non-wear components.

### Engine Oil (red)

- All metal construction
- Standard roll-pin locking mechanism
- Ergonomically engineered pullbacks and caps
- Bright red anodized aircraft grade aluminum

Male thread	Female thread	Description	Part #	Price/E	Nozzles
---	3/4" NPT	R-series engine nozzle	<b>R-EN</b>	\$397.75	
---	3/4" NPT	R-series engine nozzle with plug	<b>R-EN-P</b>	447.75	
---	---	R-series engine nozzle plug	<b>R-EN-PLUG</b>	86.40	

Male thread	Female thread	Description	Part #	Price/E	Receivers
1.625-12UN-2A	1.312-12UN-2B	R-series engine receiver	<b>R-ER</b>	\$170.50	
1.625-12UN-2A	1.312-12UN-2B	R-series engine receiver with cap	<b>R-ER-C</b>	220.35	
--	--	R-series engine receiver cap	<b>R-ER-CAP</b>	86.40	

### Coolant (teal)

- All metal construction
- Standard roll-pin locking mechanism
- Ergonomically engineered pullbacks and caps
- Bright teal anodized aircraft grade aluminum

Male thread	Female thread	Description	Part #	Price/E	Nozzles
---	1/2" NPT	R-series coolant nozzle	<b>R-CN</b>	\$375.00	
---	1/2" NPT	R-series coolant nozzle with plug	<b>R-CN-P</b>	425.00	
---	---	R-series coolant nozzle plug	<b>R-CN-PLUG</b>	86.40	

Male thread	Female thread	Description	Part #	Price/E	Receivers
1.187-12UN-2A	.875-14UN-2B	R-series coolant receiver	<b>R-CR</b>	\$136.40	
1.187-12UN-2A	.875-14UN-2B	R-series coolant receiver with cap	<b>R-CR-C</b>	186.40	
--	--	R-series coolant receiver cap	<b>R-CR-CAP</b>	86.40
