VALVES continued

Butterfly Valves 92-108

Butterfly 5101 Series Valves	93-98
Pull Handle	94
Infinite Handle	95
Trigger Handle	96
Push Handle	97
Material List	98
Butterfly 5102 Series Valves	99-101
Material List	101
Butterfly 5104 Series Valves	102-105
Clamp	103
Buttweld	104
Material List	105
Butterfly Valve Automation	106-108
Manual Butterfly Valve w/Limit Switch	107
Butterfly Valve w/Vertical Actuation	106-107
Butterfly Valve w/Horizontal	108

Ball Valves 109-130

2 Piece Industrial Brass Ball Valve	110-111
Material List	111
2 Piece Industrial Stainless Steel Ball Valve	112-113
Material List	113
3 Piece Industrial Stainless Steel Ball Valve	114-115
Material List	115
3 Piece Non-Encapsulated 2-way Stainless Steel Ball Valve	116-117
Material List	117
3 Piece Encapsulated 2-way Stainless Steel Ball Valve	118-119
Material List	119
Multi-Port Industrial Brass Ball Valve	120-121
Material List	121
Multi-Port Industrial Stainless Steel Ball Valve	122-123
Material List	123
Multi-Port 3-way/4-way Sanitary Stainless Steel Ball Valve	124-127
Material List	125
Flow Patterns	126-127
Ball Valve Automation	128-130
Manual Ball Valves w/Limit Switch	128
Industrial Ball Valve with Actuation	128
Sanitary 3 Piece Ball Valve with Actuation	129
Multi-Port Ball Valves with Actuation	130

VALVE AUTOMATION

Automation Accessories 131-136

Legris Fittings	132
Proximity Sensors	133
Micro Switches	133
Limit Switch	134
Solenoid	135
Positioner	136

Stainless Steel 137-142

Vertical Canisters	137
Material List	138
Horizontal Double Acting	139
Material List	139
Horizontal Rack and Pinion	140-142
Material List	142

Aluminum 143-150

Rack and Pinion	143-146
Material List	146
180° Rack and Pinion	147-150

Electric	151-152
Dimensional Data	152

ACCESSORIES

Filter/Strainer 153-157

Filter/Strainer Unit	154
Filter Media Medium	155-156
Material List	156
Dual Units	157

Gauges 158-165

1032 Sanitary Pressure	159-163
1036 Sanitary In-line	164
1037 Instrument Tee	164
Digital Sanitary	165

Sight Glass 166-167

Sight Glass	166
Sight Glass with Shield	167
End Caps	167

Spray Equipment 168-169

Rotating Spray Balls	168
Stationary Spray Balls	169
Topping Gun	169

Couplings 170-171

Gaskets 172-187

Elastomer Information	172
Sizing Guide	173-174
Particulate Reference Chart	175
Color Code / Packaging	176
Clamp	177-181
Schedule 5 and 10 Pipe	182
APC	182
Bevel Seat	183-184
John Perry	185
I-Line	186
Q-Line	187

Technical Information 188-200

Glossary 201-205

Valve Actuation Questionnaire 206

Index 207-216

Description	207-212
Part Number	213-216

Note:

- Drawings supplied throughout this catalog are intended for dimensional information only.
- All dimensions are typical.
- Contact the factory for engineering drawings.
- Dixon Sanitary has the ability to supply numerous types of products. Contact the factory for more information if you do not see your part listed in this catalog.

Introduction
pgs 2 - 7 **A**
