

## VELCRO® CARPET ANCHOR SYSTEM #085 / #086 / #088 / #096

- Individual strips of Velcro® (male side) can be affixed to underside of vinyl-backed mat to "anchor" mat to looped pile carpeting.
- Be certain to thoroughly clean floor and underside of mat before applying.
- Recommend that the strips are affixed across width of mat at 3 foot intervals.
- #086 Adhesive - 16 ounce can with brush top applicator; or 5 ounce tube
- #096 Roller - Application roller to press Velcro strip into adhesive onto mat.
- #088 Velcro Kit - includes 15 feet of Velcro, 5 ounce tube of adhesive and 1 application roller.

*Velcro® is a registered trademark of Velcro USA, Inc.*

### #090 MAT HOLD

- Rubberized mesh pad adheres to floor and underside of vinyl-backed carpet mat.
- Will not stain carpeting or floors.
- Be certain to thoroughly clean floor and underside of mat before applying.
- Recommend that mesh pad is cut 6 inches narrower than mat on all 4 sides.
