OETIKER Quality Standards

All companies within the OETIKER Group have quality certificates according to ISO/TS 16949. OETIKER products are manufactured in OETIKER's own factories. OETIKER companies already comply with the newly formulated environmental guidelines detailed in ISO 14001 which involve the careful use of resources, the use of recyclable materials and minimal use of chemical additives.

In order to ensure optimum quality throughout the world, all OETIKER companies use the latest in production and inspection equipment.
