

CUSTOM PRODUCTS

This catalog contains standard and non-standard products.

(+) Non-Standard

- Non-standards are not typically stocked
- Minimum buys, runs, costs, lead times, and pricing will be quoted
- Overruns or excess inventories may exist (in-stock pricing will be quoted)
- In-stock pricing levels are sensitive to products available and are subject to prior sale
- Delivery or lead times quoted begin A. R. O. (after receipt of order)

The Part # Column for 91N Series Fittings indicates material type. Where applicable, "B" indicates Brass and "C" indicates Stainless Steel. For detailed ordering information, contact PARKER/PAGE Int'l Hose.
