

Alligator® Ready Set™ Staple Fastener System

RSC187 Installation Tool

Securely holds the fasteners on the belt, in proper alignment, while staples are driven. Installs two staples simultaneously for fast, simple splicing and the tool can be moved rapidly along the belt as staples are installed. Also provides an anvil surface for initial clinching of the staples.

The RSC187 tools come complete with guide blocks and drivers, and are available in a variety of sizes. Wider tools are available for production lacing and fabrication shop requirements.

RSC187 Installation Tool

Tool Size		Ordering Number
in.	mm	
2	50	RSC187
4	100	RSC187-4
6	150	RSC187-6
12	300	RSC187-12
24	600	RSC187-24

Staple Kits

Everything you need to install, maintain, and repair Alligator® Ready Set™ Staple splices. Kit includes the RSC187 tool described above, as well as the staple set plate, hand skiver, belt marker, belt nippers, and 1 lb. (.45 kg) hammer. Packaged in a durable box with plenty of room left over for other items.

Staple Kits

Description	Ordering Number
6" Installation Kit	RSTK4-6
12" Installation Kit	RSTK4-12

Hand Skiver

Our hand-held skiver makes it easy to remove impression covers prior to fastener size selection and installation. Allows fasteners to be installed closer to the belt carcass for a lower profile.
