

Kanaflex®

Series 220RS All-Weather Suction Hose.

THE BEST HOSE TO DO THE JOB RIGHT.

Lightweight... up to 50% lighter than conventional rubber hose, so it's easier to handle and less expensive to transport.

Economical... initial cost is low, and Kanaflex is almost maintenance-free, to save you money in the long run.

Flexible... stays flexible in severe cold conditions...also lends itself to working in tight spaces.

Weatherproof... Kanaflex is highly resistant to temperature changes and deterioration by sun, ozone or mildew.

Smooth bore... combines with smooth bending characteristics, makes for the fastest, most efficient transfer of fluids.
